EIZO Group Principles of Conduct – Seven Promises

We establish the following “EIZO Principles of Conduct” as guidelines for each EIZO Group employee and as a commitment to our stakeholders.

We pledge to conduct our business in accordance with these Principles.

1. We will supply high-quality products and services loved by customers through creating and offering new value by unique technologies and ideas.
2. We will promote our manufacturing and business activities in consideration of reducing their environmental burdens.
3. We will act as an international corporation with a global outlook and mindset.
4. We will conduct open and fair trade.
5. We will seek to build and maintain strong bonds of trust with our stakeholders (business partners, employees, shareholders, and the local community).
6. We will strictly respect and comply with both the letter and the spirit of the law as a good corporate citizen.
7. We will respect basic human rights and value a broadminded corporate culture.

Participation in the United Nations Global Compact

EIZO became a participant of the United Nations Global Compact (UNGC) in September 2012. Through this voluntary initiative, member corporations cooperate in the development of a global framework for sustainable growth by demonstrating responsible, creative leadership in their actions as good corporate citizens.

As a corporate participant, EIZO will engage in an ongoing effort to realize the UNGC's ten CSR principles in the areas of human rights, labor, the environment and anti-corruption, under the personal leadership of the company's president.
