EIZO Releases Integrated Report 2026

Hakusan, Japan, October 9, 2026 - EIZO Corporation (TSE: 6737) released its Integrated Report 2026. The report provides a comprehensive overview of EIZO's business model, the strengths underpinning its value creation, business strategies, sustainability initiatives, and corporate governance. It is intended to give stakeholders insight into EIZO's initiatives for sustainable growth and the enhancement of corporate value over the medium to long term, while conveying how EIZO continues to evolve in pursuit of sustainable growth.

Key Contents:

■ **Management Message & Business Strategies**

Management policies under the new management structure, the direction of business transformation, and initiatives to strengthen the business foundation and enhance corporate value over the medium to long term.

■ **Value Creation & Initiatives for Growth**

EIZO's approach to creating value through its technologies, products, and solutions, as well as initiatives to strengthen competitiveness in each business area and drive future growth.

■ **Investing in Long-Term Value Creation**

EIZO's sustainability approach and initiatives, human capital, risk management, and corporate governance framework.
