

EIZO Galleria Opens in Beijing

Matto, Japan, August 1, 2003 – Eizo Nanao Corporation (“EIZO”) opened the “EIZO Galleria” showroom in the Top City Electronics Building in Beijing China on July 10, 2003. Over 20 EIZO LCD, CRT, and PDP monitors for financial, graphic, medical, and corporate use are currently on display.

The establishment of the EIZO Galleria will play a crucial role in increasing awareness of the EIZO brand in the Chinese market. Earlier this year, EIZO participated in COMDEX China held in the China International Exhibition Centre, Beijing from April 1-4, and exhibited a full range of LCD, CRT, and PDP monitors at its booth, attracting 2,500 visitors.

The July 10 opening of the EIZO Galleria coincided with the opening of the Top City Electronics building, which brought in 30,000 visitors on its first day. Located in Booth 1841 on the first floor along with showrooms of over 30 other internationally renown computer and electronics manufacturers, the EIZO Galleria is staffed and operated by EIZO’s exclusive distributor for China, Laser Computer Ltd., and open every day of the week from 9 a.m. until 9 p.m.

About EIZO

Eizo Nanao Corporation is a leading global manufacturer of high-end visual display products with a wide product range that includes LCD, CRT, and PDP monitors, and Windows-Based Terminals (thin clients). The image quality, long-term reliability, and innovative features of EIZO monitors make them the product of choice in many financial trading rooms, hospitals, back offices, and design studios throughout the world. EIZO is based in Japan and represented in over thirty countries by a network of exclusive distributors.
